Roblox could be better in one way by adding new games. I saw that tons of people were posting on the forum that they want a new game to play not a great way to spend your time, like if the game was updated and you can play it again, or just say your opinion about what you would like to see in the next update because there are many gamemakers that ask for ideas on a game app idea. or have a contest for ideas.

ROBLOX is very similar to gambling. People who don't know better pay real money for fake game money that has no value. Children can be swindled out of all of their parents' hard earned money without realizing it's gone until mom/dad finds another credit card bill at the end of the month or worse.

The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be.
